Dear Ms. Walsh:

Congratulations! I'm very pleased to inform you that you have been selected the U.S. Small Business Administration's Massachusetts 2008 Jeffrey H. Butland Family-Owned Business of the Year award winner.

This is a well-deserved and distinct honor that reflects the hard work and perseverance you have shown in continuing a tradition by assuming your mother's business. Your dedication to the success of the business, welfare of your employees, commitment to customers and the community at large is exemplary. For this we congratulate you!

SBA looks forward to honoring you and the other Massachusetts 2008 award winners at a luncheon co-sponsored by Cape Business Publishing on Thursday, May 22, 2008. The luncheon will be held at the Cape Codder Resort in Hyannis. Cape Business will contact you with more details about the event and Elizabeth Moisuk, SBA Public Information Officer, will contact you to discuss a press release announcing your award as well as to discuss your participation at the awards ceremony.

Again, congratulations on your selection as the 2008 Massachusetts Jeffrey H. Butland Family-Owned Business of the Year award winner. If you need any additional information please contact Elizabeth at 617-565-5569 or [elizabeth.moisuk@sba.gov](mailto:elizabeth.moisuk@sba.gov) with any questions.

Sincerely,
